Hi Fellow Quilters,

I want to start this letter by thanking Mayra Diaz for volunteering to chair the Nominating Committee. We only have 2 positions open: President and Chairperson for 2016 Programs. If anyone is interested in these positions, please see Mayra.

I don't know where we stand on volunteers to work at the Ramble at Fairchild, but if anyone is interested in spending time at the Ramble please see Mary Ann Ericson. She can use all the help she can get.

We had a great time working with Jennie Dautermann after the meeting. We made up kits (you can expect to receive some of them at next meeting) and some members spent the time sewing items. Everyone kept Jennie running here and there. Thank you, Jennie.

I spoke to Linda Fentriss. Her address is 3431 Reynoldswood Drive, Tampa FL. 33618. She was pleased that we are going to have quilts on hand for the veterans. The information she gave me included size requirements of 55" x 65" (small) and 60" x 80" (large.) They would rather have red white and blue, but will take any colors. Please avoid flowers as that limits them to only female recipients. The Batting used should be Warm and Natural or 80/20 cotton and poly blend. She suggested if you need more info to go to <http://www.qovf.org/>.

Well let's get started and see what we can do to help. Thanks.

Happy Quilting,

Barbara

September 13: The Quilters Games-- Casino Day!

Forget your troubles! Join in the fun! After refreshments the membership will gather for three games, Quilto Bingo, Strip Black Jack, and Bunko. The Mistress of Ceremonies

Mary Ann Ericson asks for anyone to bring in casino paraphernalia to decorate our tables. Plan to enjoy about two hours of fun and festivities. Prizes will be awarded to winners of Bunko and Quilto-Bingo.

Make and bring in your **Strip Black Jack** "chips": Roll up a 2 ½-inch wide, 20-inch long strip of quilting fabric and secure with rubber band. These will be your betting "chips."

October 11: White Elephant Sale

Back by popular demand; free of charge; type of merchandise is sellers' free choice. Five more tables are available. Contact April Atlas to sign-up for sales tables -- 305-662-1269, or april_atlas@bellsouth.net

During the meeting we will view the 25-minute video, "What is Art?" from the informative PBS series "Why Quilts Matter."

November 8: Community Quilts Production Day:

Join in this important production session after the general meeting led by Gerry Tucker and the Monday Sewers, for a nice afternoon of teamwork for good causes and friendly socializing. Quilt kits for twin size and children's quilts will be ready. Bring your sewing machine and tools for production team-piecing, or join in to tie a pin-basted quilt.

During the meeting will view the 25-minute video, "Quilt Nation: 20,000 and Counting!" from the informative PBS series "Why Quilts Matter."

December 13: Holidays, Charity Gift Drive, Shoebox Blocks display

Our December meetings have traditionally been filled with delicious pot-luck foods and gift-exchanging activities. This year instead of giving to ourselves, we will have the opportunity to provide gifts to children in our community who are in need. Please think about gifts and supplies you may offer for young parents who have babies, toddlers, and children. These young parents are associated with the *Educate Tomorrow* non-profit organization, they are youth who have aged-out of Social Services. More details will be provided in our September newsletter.

Shoebox participants will display the blocks they have received in this year's experimental exchange.

HOSPITALITY

Joan Vigil

WOW! We had a lot of food at the last meeting. You just never know. It was great with lots of fellowship before the workshop. However, I know that I am repeating the same old begging, please pickup your leftovers and dishes before you go to the workshops. I can not say thank you for all the fruit I took home and I am sure Magella feels the same way about the bags of chips she took home. We would rather that you did not leave your things for those who are trying to clean up. A special thanks to everyone who did clean up and tried to complete the clean up. (Don't throw the chip bags away when you set up.) Magella and I are quick to say "Yes, I will take care of it" but don't let us. The program chairperson does not need another task at the end of a workshop either.

The next group to be on board will be those with these letters at the beginning of their last name: D, E, F, G, H, I and J.

I will get on the mike and remind everyone to come and pick up their leftovers and dishes. We all need reminders sometimes. The entire guild thanks you.

MEMBERSHIP NEWS

Sharon Krutulis

Here we are in September, already. Note to self; It is time to start working on the challenge quilt for the Luncheon. Speaking of lunch, I think we had the best selection of refreshments ever, at the August meeting. Thank you, Joan, for getting us out of the box.

We enjoyed the company of 64 of our members at the August meeting. We had the pleasure of meeting Carol Sandin's husband Dale Sandin and Joyce Cotner's granddaughter Kate Sywenki. Candy Winfrey's friend Linda Resisinger joined us again, as she prepares to head back home, up north.

COMMUNITY QUILTS

Gerry Tucker

Are these the dog days of summer? My energy wanes. Does yours? Bud and I have been working on cleaning and attempting to reorganize sewing and storage spaces. How did I get all this stuff?? We have found partially completed projects I had sooo,, forgotten about. In putting things away, I think we have lost some of them again.

As I write this, kids are returning to school and I am having flashbacks of my introduction to Florida. In 1948 (66 years ago,) I moved to Miami. It was quite a different city at that time. I did not want to come to Miami, but I am so glad that I did! I have had wonderful opportunities and an incredible flow of friends. The last ten years, Ocean Waves Quilt Guild has been a very important part of my life. Community Quilts have provided me an opportunity to participate in making and donating quilts to so many individuals who are worthy of our efforts! So many of you have given of your talents in service to our community. I don't know how to thank you properly. I just hope you feel as wonderful as I do when you contribute to our efforts.

Now just a few words to inspire you: basket weave block, November Production day, Thursday Ladies, Monday Sewers, and orphan blocks.

Monday Sewers will meet at my home (8100 SW 133 CT) on September 8th and 22nd from 10 a.m. to 2 or 3 p.m. New members are welcome. For more info, see me or call 305-505-3256.

Yesterday is history. Tomorrow is a mystery. Today is a gift... That's why we call it "the present?"

SUNSHINE

Phyllis Salt

Molly Gonzalez's new grandson, Kaden Bradley, born July 31st joins her three other grandsons. She said they just can't get girls.

Janet Hodges's recent illness kept her away from our August meeting. A card was sent to her from her Ocean Waves friends.

NQA NEWS

Kasha Abbott sends the following news from our parent organization, the National Quilting Association. The NQA 46th Annual Quilt show will be held in Little Rock, Arkansas next summer, June 18, 19, & 20, 2015. See this link for more information –

<http://www.nqaquilts.org/quiltshow/site/2015/>. Ocean Waves members have gone to this show in the past, and entered quilts. From what they have reported, and from the pictures on the NQA website of the 2014 show winners, this is an excellent show.
[\(http://www.nqaquilts.org/gallery/24/page/1/\)](http://www.nqaquilts.org/gallery/24/page/1/).

It is not too early to plan a summer road trip for next year, to see some beautiful quilts from all over the country and support NQA. Here is some information from Kasha about Little Rock and things to see along the way:

“Little Rock, AR is an easy town to get around, has three quilt shops within a 20 minute drive, and many more if you want to drive farther out of town. If you drive from Miami (16-17hrs, take 2 days comfortably) there are lots of quilt shops to stop and shop along the way. My current favorite is The Front Porch Quilt Shop in Ozark, Alabama, which is a wonderful big house with a huge front porch where a tea party may be arranged for a group, then inside there is room after room of fabric, notions, patterns, an extremely helpful staff, and they do long arm quilting.”

SEPTEMBER STASH SHOP-HOP

Bar Werner

No extra travel required. *Judy's Moving Team* will be at the September meeting to offer more fabric bargains for your creativity and fun. We'll have all new selections for your shopping enjoyment.

As many of you know from the past three monthly meetings, Judy Williams, long time Ocean Waves member and prolific quilter, is preparing to move again and is seriously downsizing.

FOUND ONLINE

TheInboxJaunt.com is a wonderful source of quilting designs. Lori Kennedy's overall and individual motifs are imaginative and she demonstrates exactly how to achieve each design on a home sewing machine. Lori recently posted a friend's paper-pieced pattern for "A Girl Sewing", adapted from a painting by Vilhelm Hammershoi. It is composed of 55 pieces and may be downloaded for free from <http://theinboxjaunt.com/2014/08/13/a-girl-sewing-a-paper-pieced-pattern/>

LONGARM QUILTING

Shirley Horton

2450 SE 5th Ct. Homestead, FL 33033
Home: 786-410-5706 Cell: 786-566-3576

I charge for quilting by the square inch, which if you multiply the quilt length by the quilt width, you will have the square inches. For a large overall I charge 1¾ cents. For a very close overall I charge 2 cents. Detailed quilting in each block starts at 2 cents and goes up to 4 cents.

I do not charge a setup fee, but I do charge for the thread used and the batting, if I provide it. I carry 100% cotton in beige and white and Heirloom 80/20.

Turnaround time is about 2-3 weeks, depending on how many quilts I have. I try very hard not to have quilts longer than 3 weeks.

SHOE BOX SWAP

April Atlas

Join in the fun! **Shoebbox Swap** participants make a block and get a block. Blocks Reveal Display will be December 13.

Shoebbox Swap is open to Ocean Waves members and the commitment is month-to-month through November 8. See **Shoebbox Swap** articles in the April and May Newsletters for details. Have questions during the month? Call or email me 305-662-1269, april_atlas@bellsouth.net.

INSPIRATION AROUND US

Leslie Pope

This is a beautiful window in the ceiling of Notre-Dame Basilica of Montreal. There were other windows there with beautiful colors, but I liked this one for its lines. I think it would make a lovely block design (in which you could include some beautiful colors), but I also think the overlapping octagons and squares would be a great quilting design, particularly for a border.

PROFILE – SHARON KRUTULIS

Phyllis S. Salt

The smiling face that welcomes us to each Guild meeting belongs to our Membership VP, Sharon Krutulis. The story of her life tells of the many places she has lived.

Sharon's father was in the military when she was born in El Paso, Texas. Sharon is the eldest of three children - a brother and sister are younger. During her growing up years they lived in Arizona, Massachusetts, Germany, Florida, New Mexico, Michigan and back to Florida.

Her moving did not stop when she married, as her husband was in the Air Force. They lived in California, Japan, California, Florida and Maine. Her two sons were born while in Japan and her daughter arrived while in Maine. She finally settled in Florida in 1988. Sharon worked at the Air Force BX (Base Exchange) in California, Japan and Homestead.

When ANDREW hit the area in August 1992, her daughter was a Daisy Girl Scout. Sharon was at the B X at the Homestead Air Base at the time. The Scouts needed help for their after school program – HARP – Hurricane Andrew Recovery Program and Sharon volunteered her time. She began working full-time with the Girl Scouts in 1993 and is still there.

Sharon was divorced from her first husband when she met Jerry Krutulis at the Moose Club in 2002. They were happily married for ten years. Sadly, Jerry died of cancer in February 2013. Sharon is not living alone at present, both her daughter and one son have moved in with her in Homestead and her second son lives nearby.

Sharon joined Ocean Waves in the late 1990's while we were meeting at Olympia Heights United Methodist church. She has made a few small quilts, but hasn't done any major quilts yet. She has always loved quilts. She has done some embroidery and has sewed clothes and costumes. Sharon has always enjoyed arts and crafts, she likes the quilt challenges and her favorite pattern is Seminole Patchwork. She does not belong to a small group. This is the first time Sharon has served on our Ocean Waves Board and we welcome her as she welcomes us each month.

Sharon will be celebrating her Birthday on our next Quilt Guild day – September 13th.

BOOK REPORT

Karen Dimercurio

1. Divide and Conquer! by Nancy Smith and Lynda Milligan

This book is good when you are starting Machine quilting for the first time, because it takes parts of your quilt and quilts it separately so there is minimal fabric that will get in your way. There are 4 different methods that they teach. You quilt sections of your quilt, back, batting and front. Then put them together.

2. Simplified Celtic by Merce B. McEligot

The best thing about this book is it shows you how to make the great Celtic designs and gives you over 25 of them to make. I like that you make the designs on an appliqué sheet and use fusible bias. They also show you how to use regular bias.

3. Clothdolls for Textile Artists by Ray Slater

This book shows you how to make cloth dolls. But the book also shows you how to make fabric, the kind of material that quilt artists use to make Art Quilts. Two for one, what a surprise.

4. Go Wild with Quilts Again by Margaret Ride

Ten new bird and animal designs. Looks like fun, if you're into animal quilts. Cute chipmunks!
