## **Saturday, April 11<sup>th</sup>** - **Guild Meeting: The Good, The Bag, and the Ugly**

- ✿ Quilters' totes tame all the stuff we schlep around! Often called 'the best bag ever' they're usually roomy, versatile, sturdy, and low-maintenance. Please bring a 'best bag ever' tote you've made to our April meeting for participation in our 'best bag ever' fashion show.
- ✿ April's meeting will feature Kate Yates of the South Florida Modern Quilt Guild! She'll share a bit about her bag-making journey and show us some of her cool tote bags.

During the afternoon, join Kate in making the Hillside Tote by bag designer, Anna Graham. This simple crossbody bag is a great introduction to bag making and makes a great gift or bag to keep for yourself! Class participants will learn bag making basics including making straps, inserting zippers, adding snaps, and customizing pockets. This class is suitable for beginning bag makers, and experienced sewists who want to try out a new pattern. This bag can be made on a regular sewing machine that can sew through a few layers of fabric and interfacing.

**Hillside Tote Bag class: 12:30 - 4:30 (see sample tote at March meeting) Fee: \$28 Class size: 20**
