

Ocean Waves Quilt Guild

Small Groups – Information Update

Small groups offer our members a time and place to quilt together as well as advice, support, and socializing. During our May program activities, the spotlight will be on Small Groups. Each small group will have 5 minutes to show-off, promote, or inform the membership about their group. We also want to prepare a handout that shows the most recent and accurate information about each Small Group.

Please complete and return this form to **Lois Erickson, Deda Maldonado, or Barbara Garvine** as soon as possible. Thanks.

2019 Small Group Information
