VENDORS

Be there when you can't be there !!!

We are starting something new. Here is your chance to take part without having to move personnel or inventory.

We can set up your banners, posters, samples, sale materials and direct traffic and sales to your website.

If the personal touch seems like a good idea to you, we can provide, at additional cost, video display, live video chat or the opportunity to browse your site right from the show.

We would love to have you offer your wares in a conventional booth if you can be there, but don't let distance and expense keep you away. Join us thru your own virtual vendor booth.

Booths – 8' x 10' space includes 1 table and 1 chair for \$75.00. Electronic equipment at an additional cost.

Secure your space before the January 9th deadline.
